

4 January 1960

MEMORANDUM FOR: Major General Charles B. Dougher, USAF
AFCIN-4
Aerospace Technical Intelligence Center
Wright-Patterson Air Force Base, Ohio

SUBJECT: Invitation to Visit ATIC

Dear General Dougher:

I wish to thank you for your kind invitation to visit ATIC in the near future. I should like to do this as soon as commitments permit and as convenient to your schedule. It looks now as if I shall not be able to get away from Washington until possibly February and hesitate to suggest an earlier date. Might I suggest Thursday, 25 February? If this is convenient to you, let me also say that, in the meantime, we should be happy to accommodate, with briefings as required or tours of our facility, officers of your Command who happen to be in Washington.

Sincerely,

ARTHUR C. LUNDARL
Director,
Photographic Intelligence Center
